plastic card manufacturers

Dear Sirs,

TO WHOM IT MAY CONCERN

We are pleased to provide a reference letter for one our key suppliers, Oasys Technologies Ltd in the UK.

For over 10 years now we have utilized Oasys machinery in our card body production plant.

Our opinion on this machinery is that it gives a good consistent performance to specification and is backed up by a reliable after sales and service support team.

I am therefore pleased to take this opportunity to recommend Oasys as a machinery supplier to any other organizations planning to purchase such equipment.

Yours truly,

Alex Reale
