TO WHOM IT MAY CONCERN

I am taking this opportunity to provide a form of reference for the Oasys Technologies Ltd, company, based in Letchworth, England.

My own organisation, Euclid, based at Euclid House, Parklands Business Park, Forest Road, Denmead, Hants, PO7 6XP, England have utilised Oasys lamination and punching equipment in conjunction with our HP Digital Printing Press to provide a wide range of plastic card products.

Our experience over the last few years has been that the Oasys machinery has performed in line with our expectations and that the back-up service and support provided by the team at Oasys has met with our complete approval.

I am therefore pleased to act as a point of reference and you may contact me if you wish to discuss this matter further.

Geoffrey Neal
Managing Director.
